

# Regional Gatherings

*“I have done what is mine to do; may Christ teach you what is yours.”*

St. Francis

## GOALS

1. We will reflect upon what surfaced in the Cluster/Small Group conversations regarding the way leadership functions in our Congregation and determine our desire or need for change and transformation.
2. We will begin the exploration of leadership as a “critical issue” to understand more fully how we want to move forward in discerning and electing our new leaders.
  - ✧ Understand what is “critical” about leadership and the challenges we face
  - ✧ Look at Leadership through a new lens: “Transformative Partnerships”
  - ✧ Build on our experiences of the past and explore new approaches to discernment and elections
